

CTN-103 A/P

MEDIUM POWER MULTIBAND PORTABLE JAMMER

GSM & CDMA/TDMA & HGSMS & PCS & UMTS (3G)

There are two options of RF transmitting power, providing excellent jamming solutions for large size locations such as conference halls or law-courts.

These models are designed for a variety of security and commercial applications.

They operate from a main AC power, and each model can be constructed to jam up to four cellular and/or satellite mobile phone systems.

- Government and military
- Law-courts and parliaments
- Meeting rooms
